

# Hypertherm *Plasma* Powermax 30 XP

*High Performance Cutting of most metals*

## Key Benefits

- Fast efficient cutting of most metals
- Superior cut quality
- Superior drag-cutting technology ensures easy operation-even for inexperienced operators
- Long life torch parts for unmatched economy
- Reliable proven design made in USA
- 3 year machine warranty
- Portable only 9.5kg
- Industrial quality

## APPLICATIONS

- Manufacturing
- Agriculture
- Repair & maintenance
- Sheetmetal

Cutting Capacity	
Recommended	10mm
Maximum	12mm
Severance	16mm

Made in USA
